

HILLANDALE GOLF COURSE

Where Great Golf Happens

Introducing ***It's OK Golf!***

It's OK Golf! Designed for course-ready golfers, men and women, to have fun and learn to play the game—**without the cloud of intimidation. Be comfortable!**

It's OK Golf! Pairs golfers at the same level. Without pressure, practice and refine the mechanics of hitting the ball, and understand the lingo, customs, etiquette, and game strategies.

It's OK Golf! Relaxes (or at times throws out) the rigid tournament rules of golf, and allows golfers to practice the golf swing to drive, chip, and putt, and to use **all those clubs!**

It's OK Golf! Gets like-minded, friendly women and men to an opportunity to **socialize** and **enjoy** learning a lifetime sport. You could even make a lucrative business or network connection!

It's OK Golf! Allows high-fives, fist-pumps, skipping holes, and counting only the swings that make contact with the ball!

It's OK Golf! Allows **Do Overs, Hit-Another-Ball, Thirst Quenching, Questions, and Between Shot Laughs**, because the ultimate goal is to learn the game and have loads of fun.

We have time to play by the rules, later...for now, ***It's OK Golf!***
