Junior Golf Academy 2024

"Where Great Golf Happens"

Hillandale Golf Course invites junior golfers, ages 10 to 17, to take part in our 2024 Junior Golf Academies!

Our staff, comprised of PGA Golf Associates & US Kids Certified Golf Professionals, is ready to teach your junior golfer(s) a game that will last a lifetime!

Structured via the US Kids Player Pathway Curriculum, this program will guide junior golfers through the skills of putting, around the green techniques, full swing, round scoring, and more.

Juniors will learn how to play the game of golf and discover life lessons to help them face their future as confident and empowered individuals in a fun, competitive environment.

(Professionals pictured left to right: Joe Dobson, Teven Vargo, Cody Stinson, & Brett Fox)
